

Third Phase Chief Blanket

Date

c. 1870

Primary Maker

Unknown

Medium

Natural "churro" wool, indigo-dyed wool, and unraveled flannel

Description

A red, brown, white, indigo and unraveled flannel banded blanket with dominant serrated indigo blue, white and unraveled geometric forms spaced on the edges with a dominant center diamond. The center geometric forms are decorated with two white center diamonds. The top and bottom bands of geometric forms are decorated with white center rectangles with an indigo bar.

Dimensions

Object: 77 × 52" (195.6 × 132.1 cm)
